Sri Bhandari mentioned that ZREDA had invited Tender for Solar Power for 1200MW on behalf of JBVNL, who was unaware of the Tender proceedings. Besides the rate of power purchase has to be approved by JSERC, which it claimed to have complied, but on filing RTI with the JSERC, it was revealed that permission was not obtained by ZREDA prior to tendering.

Moreover, as per CVC guidelines negotiations were to be done with the L-1 bidder, whereas negotiation was done with 6 companies, after eliminating 7-8 companies from Jharkhand, who had also participated in the Tender. The aforesaid companies offered the rate from Rs.4.95 to Rs5.15 during the negotiation, which were approved in the cabinet, without prior approval by JSERC. The JBVNL has been directed to enter in to the PPA and if agreement is done, there would be a loss of around Rs7000/- crore to the exchequer.
